About Eastside Baby Corner

Eastside Baby Corner helps kids thrive by providing basic necessities for children so that EBC's partners—schools, social service agencies, food banks, hospitals--can help families become stable, safe, housed, fed and employed. Relying almost exclusively on volunteers, EBC takes in donations of children's clothing and goods from the community and supplements donations with purchases of the absolute essentials for children: baby food, formula, car seats, port-a-cribs and diapers. As the vital safety net under family-assistance providers, EBC annually distributes over 60,000 items for kids from birth to age 12 directly to agencies serving families throughout King County. Founded by pediatric nurse practitioner, Karen Ridlon in 1990, EBC helps nearly 700 children each week.
