

2016 annual report

The power of
giving.
The power of
love.

message from the executive director

There are 525,600 minutes in a year. When you harness the power of all these minutes from the community, you can change children's lives.

Throughout 2016, hundreds of community members came together to commit their time, goods and funds to making a difference in the lives of children through EBC. You hold in your hands a document that shows the power of these contributions in our community. The power of giving. The power of love.

With all of today's demands, why do so many folks want to invest in EBC? For some, it's ensuring that babies don't go to bed hungry or in a wet diaper. For others, it's to ensure that kids in school have a warm coat, supplies and shoes that fit. And for others, it's because they know that supporting parents and caregivers gives them more time to love and nurture their kids rather than stress about how to provide them the basic things kids need to thrive.

All of us who are part of EBC, regardless of whether we're at the Central, Northshore or West Sound Hubs, we are proud to be the focal point for providing all of this love and support for our community. By bridging the gap between our dedicated agency partners and the community, EBC provides many of the essentials that kids need to flourish.

Thank you for all that you've given to EBC and to our community. Your commitment helps us bring much needed stability and hope to children and families in our region.

Jack Edgerton | *Executive Director*

Working Together For Kids

How EBC gets your donations to the local kids who need them

You, the EBC supporter

Donate the goods and gear your kids no longer use. Your gifts of money buy the vital supplies all kids need.

EBC

At the EBC Hubs volunteers sort and organize incoming donations and prepare them to go back out immediately. When requests are received from agency partners, volunteers fill the requests within the week.

We Give What You Gave

Thank you so much to our donors for their continued support of EBC. Without their support, we could not help more than 800 kids each week receive what they need to be able to thrive. Purchasing items like diapers, formula and car seats, are all made possible by our generous donors.

Please visit our website to view the complete list of supporters for 2016.
