We help kids thrive by providing basic necessities for children so that EBC's partners—schools, human service agencies, food banks, hospitals—can help families become stable, safe, housed, fed and employed. Your donations of new or gently-used clothing and children's goods are helping over 1,500 children each month get what they need, when they need it.

Eastside Baby Corner helps kids thrive by providing the basic necessities that every child needs.

Imagine going hungry so you can buy food for your little one, or sending your child to school without a winter coat. EBC helps families by relieving the stress of wondering where their babies' next meal is coming from or whether they can afford shoes for their first grader. Each week, dozens of volunteers turn what you donate into customized orders of food, clothing, strollers, diapers, beds and other goods for low-income and homeless children living in our communities.

EBC helps kids reach their full potential tomorrow by meeting basic needs today. We imagine a world where all children are healthy, safe and prepared to build their own futures. EBC collects and purchases children's items and distributes them, free of charge, through agencies who are providing services for families throughout the Central Puget Sound region.

We also accept cash donations of all sizes! Ask a volunteer for an envelope or go to www.babycorner.org to make an online donation. **Thank you for your support of EBC and local kids!**
