Hosted by Eastside Baby Corner
& Honey Dew Elementary School

Are you a first time parent who needs help installing your car seat?

Is your baby ready to move out of his/her infant carrier?

Is your child ready for a booster seat?

Curious about the new Washington State car seat law that went into effect in January 2020?

If so, join certified car seat technicians for a Car Seat Check Up, and learn everything you need to know to make sure your car seat is fitted for your child and installed correctly in your car.

Suggested donation of \$10 per seat checked. Donations benefit Eastside Baby Corner helping to buy car seats for local families who cannot afford them.

Space is limited and registration is required.
